# Fire Extinguisher Inspection Tags

## IT111

## Features

- Clear Inspection Record – Space to mark inspection dates, maintenance, and technician details.
- Pre-Punched Hole – Easy attachment to fire extinguishers.
- Durable Non-Wrip Material.

Fire Extinguisher Inspection Tags are made from durable, white cardstock, that has non-rip qualities to enhance the durability and continuous reusable quality of the tags. The inspection tags are designed to be a simple log on a tag, meant to be a quick visual representation of recent and past fire extinguisher inspection dates.
