

Quick Change Mop Handle with Plastic Head Side Gate Clip

MH3511

Features

- With adjustable thumb wheel enables easy, tight and secure fit.
- The mop handle helps to apply high pressure without fear of breaking.
- High impact plastic head features a side gate for quick and easy change.
- The handle can be easily stored on a storage hook.
- Hanging hole for storage.

The Quick Change Mop Handle with Plastic Head Side Gate Clip is designed for fast, secure, and hassle-free mop head replacement in professional cleaning environments. Featuring a durable plastic head with a side gate clip mechanism, it allows users to easily insert or remove mop heads without tying knots or using tools. The sturdy handle provides excellent grip and control, making it suitable for both wet and dry mopping tasks.
