

Nut Driver Set

7 Pieces

HT207

Features

- Made from high-strength, heat-treated steel with a chrome-plated finish for corrosion resistance and durability.
- Smooth, polished tips ensure a secure fit on nuts and bolts, minimizing stripping.
- Cushioned, yellow and black handles with a textured grip for comfort, torque, and reduced hand fatigue; designed for high leverage.
- Twist-resistant shaft (internal flanges)
- Non-slip firm-grip lightweight handles.

This Bison Life 7-piece SAE Hollow Nut Driver Set is designed for efficiency, featuring a 3-inch full hollow shaft that allows for work on long bolts with internal flanges, ensuring a secure and twist-resistant anchor. The set includes common nut sizes from 3/16 to 1/2-inch, offering versatility for various tasks. Each driver is crafted for durability and ease of use, providing reliable performance for demanding applications.

Product Specification

Size	3/ 16 to 1/2 in (7 Pieces)
Weight	21.7 Oz (1 set)
Material	PP Handle, Chromium vanadium Steel
Packaging Style	Box
Color	Red and Silver

Packaging Information

1 Set / Box
12 Boxes / Inner Box,
2 Inner Boxes / Carton (24 Sets)
Carton Size- 16.5 x 12.40 x 11.6 in
Carton Weight- 37.4 lbs

SKU Information

Product SKU	Inner pack UPC	Carton GTIN
BLES-NDRS-SAE-7-1	810188146410	00810188146427
