

# Equipment, Plastic Stacker Tote, 19 Gallon

## TS526

### Features

- **Large 19-Gallon Capacity:** Provides ample space for organizing household, garage, or office items.
- **Secure Latching Lid:** Durable latches keep the lid tightly closed for safe storage and transport.
- **Stackable Design:** Recessed lid allows stable stacking to maximize vertical storage space.
- **Durable Construction:** Made from heavy-duty plastic for long-lasting use and impact resistance.

This Bison Life black latching stacker storage tote provides a durable and versatile solution for organizing items in your home, garage, or office. Its large 19-gallon capacity offers plenty of room for tools, seasonal gear, and household essentials. The secure latching lid keeps contents protected, while the recessed design allows safe, space-saving stacking. Built from sturdy plastic with a textured grip and opaque finish, it ensures long-lasting use and a clean, clutter-free appearance.

### Product Specification
