

Bio Hazard Spill Kit

**1 Pair
Nitrile Gloves**

**1 Pair of
Safety Goggles**

**1 Pc
Disposable Apron**

**8 OZ
Soda**

**16.5/20"
Biohazard Wastebag**

Features

- Compact and easy-to-store design for quick emergency access.
- Durable packaging to keep contents secure.
- Single-use protective items to maintain hygiene standards.
- Lightweight and portable for convenient storage.

Bio Hazard Spill Kit is designed for the safe handling and cleanup of biological spills such as blood and other infectious fluids. The kit includes gloves, safety goggles, a disposable apron, soda, and a biohazard bag to ensure proper protection and safe waste disposal. Soda helps absorb and control spills, while the protective gear minimizes the risk of contamination.
