

# Drain Cleaning Bladder

## HT031

### Features

- Easy attachment to household hose
- Rubber bladder + solid brass fittings
- No chemicals or electric equipment needed

Available Size

This Bison Life Drain Bladder is a garden-hose powered clog remover made from durable black rubber and fitted with a brass connector. It inflates inside, then builds water pressure to push out blockages—no chemicals or mechanical snake required.

BLHD-MDCBR-1-3-1	Medium	810188146533	00810188146540	HT033
BLMS-LDBR-4-6-1	Large	810188146557	00810188146564	HT069

### Applications

- Kitchen sinks – Attach to a garden hose to clear grease and food buildup.
- Bathroom drains – Remove clogs caused by hair, soap, and residue.
- Floor drains – Flush out dirt and debris from laundry rooms, basements, or garages.
- Outdoor & yard drains – Use with a garden hose to push out leaves, mud, and sediment.
- Main sewer lines – Larger bladders can help clear partial blockages.
- Eco-friendly cleaning – Uses water pressure, not harsh chemicals, to clear drains.
- DIY & home maintenance – A simple, reusable tool that works with any standard garden hose.
