

Vernier Caliper

MT609

Features

- Digital Caliper- Easily measure tubes, pipes and precision parts.
- Take inside, outside and depth measurements.
- Large LCD screen displays millimeters, decimal and fractional inches.
- Stainless steel construction.
- Auto shut off saves battery.
- 2 coin cell batteries included.

This Bison Life digital calipers deliver precise and reliable measurements, making them an ideal tool for home improvement and technical applications. Their high accuracy and clear digital display ensure consistent, easy-to-read results.

Product Specification

Size	6 x 1 in
Weight	7.1 Oz, (With Box 12.1 Oz)
Material	Stainless Steel
Packaging Style	Box
Color	Silver

Packaging Information

1 Piece / Polybag
12 Pieces / Carton
Carton Size- 13.97 x 10.02 x 4.33 in
Carton Weight- 10.25 lbs

SKU Information

Product SKU	Inner pack UPC	Carton GTIN
BLMS-ELVCR-1	810188144676	00810188144683

Applications

- Manufacturing & Engineering – For measuring parts, components, and tolerances with high accuracy.
- Metalworking & Machining – To check internal, external, and depth dimensions of machined parts.
- Woodworking & Carpentry – For precise cuts, joinery, and fitting components.
- Automotive & Mechanical Repairs – Measuring brake rotors, pistons, shafts, and other parts.
- Scientific & Laboratory Work – Measuring samples, tools, and experimental setups.
- DIY & Home Improvement – Checking dimensions for fittings, hardware, and projects requiring accuracy.
