

Inflator Tire Gauge with Chuck

HT004

Features

- Core Function: maintains proper tire pressure.
- Tire Maintenance Benefits: Minimizes irregular tire wear and extends the overall service life of tires.
- Fuel Efficiency Enhancement: Supports improved vehicle fuel efficiency, thereby lowering daily fuel consumption costs.
- Vehicle Performance & Safety: Boosts vehicle handling stability and enhances safety performance during driving operations.

Bison Life heavy-duty tire inflator featuring a 12" hose, aluminum body, and solid brass clip-on air chuck. It offers precise inflation and deflation with a 10–120 psi range, 2 psi increments, and 1% accuracy. Ideal for cars, trucks, and motorcycles, it ensures optimal tire pressure for improved fuel efficiency and safety.

Product Specification

Size	8.4 x 3.3 x 3.3 in
Weight	13 Oz
Material	Cast Aluminum, Brass, TPR
Packaging Style	Box
Color	Red/Black

Packaging Information

1 Piece / Box
12 Boxes / Inner Box
2 Inner Boxes / Carton (24 Pieces)
Carton Size- 18.5 x 15 x 12.2 in
Carton Weight- 22.8 lbs

SKU Information

Product SKU
BLMS-ITGWC-1

Applications

- Automotive Maintenance – Quickly inflate or check tire pressure on cars, trucks, and motorcycles.
- Fleet & Commercial Vehicles – Maintain proper tire pressure for delivery vans, trucks, and service vehicles to ensure safety and fuel efficiency.
- Workshops & Garages – Essential for mechanics and tire shops to provide accurate inflation and pressure checks.
- Racing & Performance Vehicles – Helps monitor precise tire pressure for optimal handling and performance.
- Home Use – Convenient for keeping personal vehicles properly inflated and safe on the road.
- Construction & Off-Road Vehicles – Suitable for heavy-duty tires that require precise pressure monitoring in challenging conditions.
