

Kneeboard

402

Features

- Reduces knee strain during extended kneeling
- Easy to carry to job sites
- Allows easy sliding without sinking or disrupting the surface finish
- Ergonomics: Features a foam cushion and handle cutouts for enhanced comfort and portability.
- Protection: Hard polypropylene backing protects knees from rocks and sharp objects on the ground.
- Maintenance: Chemical resistant and washable for easy cleaning.

This Bison Life Kneeboard provides a spacious and comfortable surface for various tasks, measuring 14 inches long by 24 inches wide and 1 1/2 inches thick. Its durable black construction ensures longevity and reliability for everyday use.
