

Lighted Inspection Mirror

HT186

Features

- Locate small items in unlit areas
- Shatter resistant glass mirror
- Dual LED lights for illuminating dark areas
- Telescopic Design

This Bison Life Round Lighted Mirror is designed for inspecting small items in hidden or poorly lit areas. Equipped with bright LED lights, it delivers powerful illumination for reading serial numbers, identifying broken or missing parts, and locating misplaced items.

| Material | Stainless Steel, Rubber Grip Handle |
| Packaging Style | Bubble Wrap |
| Color | Silver/Black |

Packaging Information

| |
|------------------------------------|
| 1 Piece / Bubble Wrap |
| 12 Pieces / Carton |
| Carton Size- 16.33 x 3.14 x 3.5 in |
| Carton Weight- 2.31 lbs |

Applications

- Automotive repair – inspect engines, undercarriages, and brake components.
- Industrial maintenance – check machinery, equipment, and hidden assemblies.
- Electrical work – view behind panels, conduits, and junction boxes.
- Hidden area inspection – inspect ductwork, vents, and hard-to-reach areas.
- Plumbing – check behind pipes, under sinks, and in tight spaces.
- Quality control – verify serial numbers, labels, and part integrity.
- General DIY – locate dropped items or inspect confined, dark areas at home
