Packaging Information

1 Set / Box
6 Boxes/ Carton
Carton Size- 18.30 x 6.69 x 10.82 in
Carton Weight- 21.93 lbs

SKU Information

Product SKU
BLMS-RHZK-1

Applications

- **Roadside Emergencies** – Place the triangle behind your vehicle during breakdowns, flat tires, or accidents to alert oncoming traffic.
- **Night time Safety** – High-visibility reflective surface provides effective warning in low-light or night time conditions.
- **Highway Stops** – Use when pulled over on busy highways to increase driver awareness and reduce risk.
- **Outdoor & Travel Safety** – Carry in cars, trucks, RVs, or motorcycles as a precaution for long trips or outdoor activities.
- **Commercial & Fleet Vehicles** – Ideal for truck drivers, delivery vans, and service vehicles to comply with safety regulations.
- **Construction & Work Zones** – Can be used to mark temporary hazards or work areas.
