

# Lock Out Tags

## SL162

### Features

- Tough Hanging Reinforcement
- Durable Material

A pack of 100 danger header lock-out tags with string ties is an exceptional value meant to aid in preparedness and safety prevention for various industry regulations. The lock-out tags are a protective measure for eliminating and reducing hazards, but they are not a substitute for all other safety measures.

### Product Specification

|                 |                                |
|-----------------|--------------------------------|
| Size            | 5.75 x 3 in                    |
| Weight          | 0.10 oz                        |
| Material        | Perforated Cartstock with ties |
| Color           | White/Red/Black                |
