

Cut End Flat Dust Mop, Blended, White

DM3212

Features

- Made from high-quality blended yarn for strength and durability.
- Cut-end construction for effective dust and debris pickup.
- Soft fibers that are safe for all floor types.
- Compatible with standard flat mop frames and handles.
- Reusable mop.

The Cut End Flat Dust Mop is manufactured using a durable blended yarn that provides effective dust pickup and smooth floor coverage. The cut-end construction allows the fibers to spread easily across the surface, making it ideal for dry dusting and routine maintenance cleaning.
