

Extendable Mop Handle with Plastic Screw

MH3451

Features

- Extendable Design – Adjustable length for better reach and user comfort.
- Plastic Screw Fitting – Strong, rust-free, and secure connection to mop heads and accessories.

The Extendable Mop Handle with Plastic Screw is a durable and adjustable cleaning handle designed for secure attachment of mops, floor squeegees, and other cleaning tools. Its extendable construction allows easy length adjustment for comfortable use, while the plastic screw fitting ensures a firm, rust-free connection, making it ideal for wet and high-moisture cleaning environments.
