

## Extendable Handle with Jaw Clamp

**MH3431**

### Features

- Adjustable length for comfortable cleaning and extended reach.
- Suitable for heavy-duty wet mops and wet mops featuring a 5-inch headband.
- Easy Storage: Compact when collapsed and convenient to store
- Built-in hole at the end of the handle for easy hanging.
- Extendable joints.

The Extendable Handle with Jaw Clamp is a versatile and adjustable cleaning tool handle designed to securely hold a wide range of wet mops. The jaw clamp mechanism ensures a firm grip on the cleaning head, preventing slipping during use.
